RE: House Bill 1368, *An Act establishing a sick leave bank for John Morrill, an employee of the Attleboro district court*

Dear Chairman Brownsberger,

We write to you today regarding House Bill 1368, *An Act establishing a sick leave bank for John Morrill, an employee of the Attleboro district court*, of which we are co-sponsors. We respectfully request that the Joint Committee on the Judiciary release this bill for further consideration.

Mr. John Morrill, a constituent of ours and resident of Attleboro, is an employee of the Attleboro District Court. He has undergone multiple surgeries, including three cardioversions, and has used a significant portion of his allotted sick leave in the course of his recovery time. He has a very limited amount of leave time left available to him, and is seeking a sick leave bank to provide for greater flexibility to continue his recovery. We ask that this special legislation be released as expeditiously as possible given the time sensitive nature of this matter.

Thank you, in advance, for your consideration. If there is any additional information that we can provide to you, please do not hesitate to contact us.

Sincerely,
