DT: 13 October 2015

Dear Honorable Chairs and Members of the Joint Committee on Financial Services

Thank you for hearing *H901, An Act relative to Lyme disease treatment coverage* before your committee on October 20th.

This bill would require health insurance to cover all Lyme disease treatments prescribed by a doctor. Lyme disease does not have a cure and can be debilitating.

Thank you for your time and consideration of this bill. I respectfully request that *H901, An Act relative to Lyme disease treatment coverage* released favorably and expeditiously from your committee.

Sincerely,
