RE: H2322 An Act relative to the retirement benefits of Howard S. Levine
DT: 11 May 2016

Dear Chairman Murphy,

I would like to first thank you for considering *H2322, An Act relative to the retirement benefits of Howard S. Levine* before your committee on January 12th. The bill was sent to study and I am asking that you reconsider that study order.

As I have stated in previous correspondence to your committee, this bill was drafted for a constituent who was severely injured while serving the Commonwealth as a correctional officer.

The results of this injury rendered him unable to continue working as a correctional officer. This bill would change his retirement benefits to reflect time he would have spent as a corrections officer if he had not been hurt on the job. This piece of legislation would only pertain to him and his retirement benefits. If there is a specific reason to deny this, would you be so kind and let me know that reason/s.

Thank you for your time and consideration of my request regarding *H2322, An Act relative to the retirement benefits of Howard S. Levine*.

Sincerely,
