RE: H1830, H1851, and H1832
DT: 29 April 2016

Dear Chairman Speliotis,

Thank you for considering *H1830 An Act relative to municipal use of insurance proceeds*, *H1851 An Act relating to the issuance of temporary notes by cities, towns and districts*, and *H1832 An Act relating to contracts for certain town officers* before your committee. On behalf of my local city collector and assessor, I respectfully request that these bills be released favorably and expeditiously from your committee. All three of these bills would impact the city I represent in a positive way. *H1830* would enable a municipality to increase the allowable amount of insurance proceeds from \$20,000 to \$150,000. *H1851* would allow a town to issue a temporary loan for up to 10 years. *H1832* would expand the number of municipal officials who could negotiate an employee contract.

Once again, thank you for your time and consideration of these matters.

Sincerely,

A handwritten signature in cursive script that reads "Paul Heroux".
