**RE: H3010 An Act relative to commercial vehicle registration**  
**DT: 15 July 2015**

Dear Honorable Chairs and Members of the Joint Committee on Transportation,

Thank you for hearing *H3010, An Act relative to commercial vehicle registration* before your committee today.

A constituent came to me with an issue last session that I was unable to resolve. The constituent owns a large truck for personal use but because of the number of wheels the constituent<sup>1</sup> is required to register it as a commercial vehicle. The constituent does not use it for commercial uses though. Because of this classification he has to pay extra at tolling plazas. My bill would create an exemption from the commercial classification for vehicles with five or more wheels but are not used for others purposed outlined in the regulation.

Thank you for your time and consideration of this bill. I respectfully request that *H3010, An Act relative to commercial vehicle registration* be released favorably and expeditiously from your committee.

Sincerely,

A handwritten signature in cursive script that reads "Paul Heroux".

Representative Paul Heroux
