**RE: Language of H2220 An Act providing for the retirement of all municipal employees**  
**DT: 14 March 2016**

Dear Honorable Chairs and Members of the Joint Committee on Public Service,

I am contacting you on behalf of a few local municipal employees who asked that I vote against *H2220, An Act providing for the retirement of all municipal employees*. Specifically, they noted "We would oppose the current language of 25 years of service and would hope for something more in line with what the State Employees were offered last year (5 years added to age or service)."

I hope you consider their position as you consider this bill.

Sincerely,

A handwritten signature in cursive script that reads "Paul Heroux".
